We at APS -

- ◆ Encourage every child to participate in games and sports to shape them as all rounders.
- ◆ Provide infrastructure for different games like football, cricket, volleyball, athletics. Believe not only in the exploration but also in the enlightenment of the child. Every child is nurtured. They are motivated by various extrinsic and intrinsic methods of taking part in quiz, dance, art and craft, speeches, skits and mimes etc.
- ◆ Have divided the school into four houses - Einstein, Kalam, Raman and Newton. Every week students get an opportunity to display their hidden potential in various walks.
- ◆ Regularly participate in CBSE tournaments, Block Level Competitions and the events organized by GPSC which facilitate exchange of ideas between our students and those of different well-established schools of Gurgaon. This helps in sharing ideas and creativity on a larger platform.
